

It's Picnic Time

Dust off your car, grab the wife and kids or whatever and come on over to Freedom Lake Park on ***SUNDAY, APRIL 19, 2009 from 11am 'till whenever.***

Where: Shelter #1 Watch for a Mopar sign

Directions: 49th Street North at the light by Quaker Steak & Lube, turn right (opposite of Quaker Steak). Follow the road around past Arrow Topper, turn right again at the sign to the Park.

What: Bring a dish to pass to feed 6-8 people. You can bring your silverware if you want – we have the plastic stuff. The Club will bring the hamburgers, hot dogs, rolls, ketchup, mustard, mayo, etc.

There is a large area to privately park our cars, and we will have games for both the adults and the children to play. There is also a nice playground area for the children.

P.S. We don't care if your car is done, perfect, or a basket case, as long as it will get you there and back! Come and see your old friends and make some new ones. Mopar 2U
